

## Weight Reduction Clinic Self-Pay

While the Weight Reduction Clinic visits are likely to be covered by your insurance, in the rare opportunity they are not we do have self-pay options. To facilitate an easier check out process all members of the Weight Reduction Clinic must have a credit card on file along with all insurance cards including prescription insurance. Please see the table below for the estimated costs per visit if insurance does not cover.

<b>Weight Reduction Clinic Patients</b>	<b>Self-Pay Charge</b>	<b>Visit Type</b>
